## Mission

To support Sudanese asylum-seekers and refugees to build meaningful lives in the UK.

## Vision

A Sudanese-British community leading fulfilling lives, and contributing to local and national life in UK while working for an inclusive, diverse, and peaceful Sudan.

## Strategic aims

- To provide a range of responsive, quality services to support Sudanese refugees to build meaningful lives in UK.
- To increase awareness of the needs of Sudanese refugees and to influence local, national, and international policy and service development in relation to Sudan.
- To develop a strong and sustainable organisation so that it may achieve its strategic aims.

## Why are we unique?

We occupy a unique position as a service provider for the Sudanese diaspora and a trusted 'critical friend' to a wide range of individuals and organisations operating in the Sudan policy and practice landscape. We act as a hub for: advice and information; provision of support to Sudanese diaspora; in-depth, non-partisan cultural and political insight and understanding; expert opinion; developing links and facilitating dialogue.
