**2 - 4 P.M. IN NEW YORK CITY**

**@ Dag Hammarskjold Plaza, East 47<sup>th</sup> Street & 1<sup>st</sup> Avenue  
Facing the United Nations**

## **GUEST SPEAKER: MUKESH KAPILA**

The former head of the United Nations in Sudan will speak about the shocking depths of evil plumed by those who designed and orchestrated 'the final solution in Darfur' and why so many good men stood by and did nothing. A veteran of humanitarian crisis and ethnic cleansing in Iraq, Rwanda, Bosnia, Afghanistan and Sierra Leone, Mukesh Kapila is still fighting, "Against a Tide of Evil."

*Speakers from Darfur, the Nuba Mountains, and the Blue Nile State will speak about the ongoing genocidal campaigns committed by Sudan's President Bashir and the Government of Sudan against specifically targeted ethnic-African civilians; American clergy and activists will add their voices.*

Please join us as we support People4Sudan
